best stretch tents in california

If you want the **best stretch tents in California**, you're really choosing between **premium U.S.-made** (higher price, long-term use) and **import-style** (cheaper, shorter lifespan). The most important factors are **PVC fabric quality, stitching strength, and wind resistance**—not just price.

Also important: California has **actual manufacturers (like Royal Tent USA)**, not just resellers, which is a big advantage. Royal Tent USA
